

P/N 10526

**2009-12 Full Size Ranger Mtg Plate
(will not fit 2009 crew or 6x6 but
will fit 2010-12 Crew and 6x6)
Will not fit Mid-Size Rangers**

Includes:

1. (1) Winch Plate
2. (6) 5/16- Nylon Nuts
3. (6) 5/16" x 3/4 Hex head bolts
4. (6) 5/16" USS Flat Washers

Installation:

1. Remove the screen from the front of your bumper. Now remove the bumper. Save all hardware.
2. Install the rear of the winch mount to the frame just below the radiator. Use the bolts provided. Do not tighten yet.
3. Put your winch on top of the plate and install the bolts that came with the winch.
4. Install your bumper. Bolt the bumper to the upper two holes in your winch mount.
5. Bolt your roller fairlead to the front of the plate using the bolts provided.
6. Now, tighten all your bolts.
