Includes:
1. (1) Half Windshield (11880-01)
2. (4) Rubber “Fast Wraps” with hardware (11651)
3. (1) Edge Trim 3/16” x 47” Long
4. (1) Logo Sticker

Installation:
1. Read the care instructions on the protective coating.
2. Peal back the protective coating along the bottom and around the four slots.
3. Slide the edge trim over the bottom edge.
4. Bolt the “Fast Straps” to the slots as shown (DO NOT TIGHTEN YET).
5. Install the windshield and then tighten the bolts when they are in the correct location in the slots.
